Dear Shane,

I wanted to let you know that we thoroughly enjoyed presenting the “Queen of Bingo” as part of our Inaugural Season at the Firehouse Arts Center in Pleasanton, CA in February 2011. Our audiences loved it! It was a “real hoot!” The word of mouth really kicked in, so that our final performance was all but sold out.

From the booking process to the final curtain, I really appreciated your willingness to work with us. And your advice and initiative in marketing and promotion were greatly appreciated.

You and Rowan were so easy to work with; very “low maintenance;” just a presenter’s dream.

I do wish you continued success with the show. I know there are Bingo players all across the country that would love to see the show. And you are right, it’s more than just a play about Bingo, it’s really a touching show with great acting!

All the best,

Robert Vogt
