To Whom It May Concern:

We recently had the pleasure of presenting the unique and hilarious performance of Queen of Bingo here at the California Center for the Arts, Escondido. The show is charming, funny, and a crowd pleaser, much like its cast. Shane, Rowan and Kevin were a great group to work with. They were courteous, easy going and all around fun to host. Both shows sold very well and were well reviewed by our audience. We look forward to an opportunity to work with this group again.

Sincerely,
