Shane Partlow
Theatre A Go-Go / Queen of Bingo

Dear Shane,

I wanted to thank you, Rowan and Cameron again for bringing ***The Queen of Bingo*** to The Hemmens. My staff and I thoroughly enjoyed performance and the talk in the lobby afterwards was overwhelmingly positive. From a presenter's point of view, your show was fantastic! On the day of show, not only were you all a pleasure to work, but your help in advancing the show and suggestions for marketing were greatly appreciated.

I would happily recommend ***The Queen of Bingo*** to any presenter wishing to provide a funny and poignant interactive experience to their audience. The "Middle Bird Special" game of bingo breaks the 4th wall and really brings the show all the way into the audience. Whether they've ever been in a Bingo Hall or not, audiences are sure to enjoy this show.

Sincerely,

Butch Wilhelmi
