Dear Shane,

Thank you so much for bringing your show *The Queen of Bingo* to the stage of the Al. Ringling Theatre in Baraboo, Wisconsin. Our audience of all ages truly loved the show and I am still hearing many favorable comments about the show.

The performances by Shawn, Rowan and you were wonderful! Together you told a light-hearted story that was filled with warmth and humor. *The Queen of Bingo* was a perfect show for our cold Wisconsin winters. And the audience loved the chance to play bingo, what an incredibly fun idea!

Something that we do not see much, I am very pleased to share a very nice review that was published in our local paper a few days following your show. I think the reviewer captures the general audience reaction to your performances and show.

Thanks again for bringing this show to our community.

Sincerely,

Larry McCoy
Executive Director
