Dear Mr. Partlow,

We would like to express our great thanks to you for bringing "The Queen of Bingo" to the Freed Center for the Performing Arts. Our patrons were absolutely delighted with the show, and we have had a lot of very positive feedback. The turkey prize was an immense hit!

On a personal note, as a presenter, I would like to thank you for always being exceptionally easy to work with. It is a joy to present a company that is relatively low maintenance, and we very much enjoyed having your company as guests in our facility.

We look forward to many more productions from Theatre A Go-Go!

With thank from us all at the Freed Center,
